Fantasy Shrine Scanlations

Tomiura and Shirosaki both attend the same university, and due to an unpleasant incident they discovered that both of them are gay. With that in common, they've become fast friends. But underneath that closeness is also an attraction to each other. Are they willing to take that step towards a relationship? Or will they forever remain friends?

REIJI-KUN?
Shuddo
UMM.
HAH, LATELY REIJI IS IN A REBELLIOUS STAGE. HOW TROUBLE-SOME!
HE USED TO BE SUCH A GOOD BOY!
He still hasn't come back yet
LET'S GO PLAY, NII-CHAN
WAIT FOR ME NII-CHAN
BEFORE HE WAS FAIR-SKINNED WITH A SLIM BODY.
HE LOOKED JUST LIKE A GIRL
AND LATELY, HE STARTED BODY-BUILDING.
Not that it's a bad thing to train his body
NII-CHAN!!
HE USED TO CALL ME "NII-CHAN". BUT NOWADAYS, IT'S "ANIKI".
*"Aniki" is a more masculine informal than "Nii-chan"
OH.. WHY CAN'T HE GO BACK TO BEING THAT CUTE, INNOCENT KID THAT HE USED TO BE? WHYYY!!?
Get his hand stepped
He has calmed down a little since then, but
AN SORRY
ANIKI, DON'T TOUCH ME SO SUDDENLY
BEFORE, HE USED TO BE SO ATTACHED TO ME BUT NOW HE'S SO COLD TO ME
HE ALSO PIERCED HIS EARS AND DYED HIS HAIR BLONDE
So noisy!
Mother Reiji, he—
Wah! Reijin

Motheeer
You two are really close!
...IT'S OKAY—
Ahaha
Hahaha
I didn't realize that Onosaki-san has a brother complex...
I'M SORRY I WAS ABRUPT WITH YOU!
He is the best bro!*4
OH WELL!
HE'S STILL A GOOD KID NOWADAYS!

For some reason, I wanted to draw a character like Reiji in "Red Line". He isn't rebellious. He's in his puberty! And he's actually a uke. I wish I could find him a seme who would really support him. And they would fall madly in love with each other.

Postscript

FANTASTSHRINE

This is my 3rd comic that had been published
Thank you very much for picking this volume!
I really appreciate to have this clumsy manga compiled in one volume
When there is something I'm pleased with I really feel glad...!!

Orbit of Love

There was a purpose for me to draw this kind of story
I wanted to draw something erotic!! Or so I thought
Even though I said erotic, I didn't draw the crucial parts at all, the gentle touch to the partner and the lovely kisses in the H-part. I thought that I wanted to draw it out in gestures that was born each time the character was considerate toward his partner. The times I drew the usual erotic scenes somehow the proportion between the story and the erotic parts were in connection with the page number, so such behavior can't be discovered at ease and things ended up flaring up. The wish to draw something erotic came true! I was happy but I realized that eroticism is difficult. I can't draw it skillfully.
In the sequel, the number of pages I spent in erotic scenes were enough in proportion with the pages that don't have eroticism.
Even the scenes where I don't have eroticism have an erotic meaning.
(Have you noticed how much I said the word "erotic"?!)

Words

This is the oldest story of this comic.
Toujou's hairdo was a failure.
By the way, this story came out as it is even though "Orbit of Love" had already came out. The characters of "Words" came out in the order of appearance on this comic. The first part of "Orbit of Love" have you noticed who made an unexpected appearance? That's what I thought... Sorry.

Red Line

I like stories about siblings.
A story where the little brother seems attached to the older brother.
There is a bonus manga of Red Line on the cover.

Reading my works is a way to support me so every day I can draw manga.
I'm not very skillful in drawing yet and I can't express what I want but I think that someday I can do it. When I have progressed a little, I hope I can meet you again.

I thank you from the bottom of my heart.

Special Thanks:

To everyone who read my work, answered the polls and visited the web. And also to everyone who sent me support letters, to my manager, to everyone who took part in the production of this comic, to my friends, mother, older sister, and so on.
